PROFESSIONAL EXPERIENCE

Process Associate | Hamly Business Solutions, Thanjavur Mar'2024 – Dec'2025

- Improved healthcare billing processes, assisting clients in receiving payments faster.
- Handled all patient billing, medical coding, and claims, which reduced errors and improved claim approval rates.
- Led efforts to resolve billing disputes with insurance companies, settling complex claims and recovering lost revenue.

Junior Game Tester | Ubisoft India, Pune Nov'2020 – Nov'2021

- Ran detailed tests on popular games, tracking issues with TestRail and JIRA.
- Worked with developers to fix major bugs, making the user experience significantly better.
- Provided useful feedback on the game's user interface and gameplay mechanics to improve the final product.

Software Development Trainee | Fusion Practices Technologies, Navi Mumbai Sep'2018 – Apr'2019

- Created mockups and designs for employee dashboards, making office work easier.
- Developed branding, illustrations, and UI/UX designs for various clients.
- Developed wireframes and web designs, focusing on creating a simple and easy-to-use experience for the user.
